Upcoming Grant Applications

Faith In Action Grants

The only criteria for a grant award is that the project or organization must further the missions and ministries of Trinity Lutheran Church and is not being funded by Trinity's general operating budget. The possibilities are endless! This is an opportunity for anyone—individuals, Boards, choirs, committees, youth groups and others. Applications are due on or before October 31, 2021.

Hazel Johnson Endowment

The established purpose of the Endowment was to provide support for missions, both global and within the United States (including local). The donor did not restrict the type of missions to be supported. Based on the requests, the Foundation will attempt to allocate some support to global missions, as well as those within the United States. The Foundation Commission's last grant was for global missions. Applications are due on or before October 31, 2021.

Applications can be obtained from the Church office, Church website or e-mail Tom Farrell at retiredtom.farrell@gmail.com or Alex Eykamp at officemanager@tlcmadison.com.

Applications must be returned to the church office no later than **October 31, 2021 and only requests submitted on completed application forms will be considered**, with awards determined in late November.

Thank you for your continued financial support!

The second PPP loan was forgiven and the money moved to the General Fund, so we are now in the black. Moving forward, we cannot assume this funding will be available. We are still behind on giving to the General Fund for the year.
